

CLAIR LIGHTING

THUNDERBOLT 780W IP66

Light Source: 680W White LED

Color Temperature: 6800K

LED Lifespan: >20,000Hrs

CRI: 72

Voltage: AC100-240V 50/60Hz

Input power: 780W

PF ≥ 0.98

Beam angle: 3.8°-50°

Pan: 540°/630° optional (16 bit)

Tilt: 270° (16 bit)

IP Rating: IP66

Advance motion system: auto repositioning , fast, quiet and smooth

Colors wheel: 7 dichroic filters + open

CMY infinite color mixing, CTO linear

Rotating gobo: 7 interchangeable + open

with shaking effect and can be positioned

Zoom: Motorized, 2.5°-55° linear

Strobe: 0-30Hz

DMX channel: 34/36/56Ch

Prism: Rotating 5-facet prism+ rotating T-facet

prism with variable speed

Focus: Linear focus

Iris: 5%-100%

Shutter: Electronic, variable from 1-25Hz or random

Dimmer: 4 dimming curves, 0-100% linear dimming

Frost: 3° frost

Framing system: 1 set of all directional framing system with 8 framing blade. Flicker free with quiet mode and high -power mode animation wheel

Control: DMX512, RDM, ArtNet control , SACN (optional)

Dimension(mm): 395 x 290x 628mm

Net Weight: 26Kg

Colour Wheel

Rotating Gobo
