

CLAIR LIGHTING

LED WIZARD 120W

Specification

Voltage: AC100-240V, 50-60Hz

Rated Power: 150W

Light source: 120w White LED

Color temperature: 10,000K LED

LED lifespan: 50,000Hrs

Pan: 270° (left/right)

Tilt rotation: 360°

Beam angle: 1.6°

Channels: 9 Channels

Focus system: Manual focus

Dimmer: 0-100% linear dimming

Strobe: 1-25Hz , multiple random pulse strobe effects

Color: 7 colors

Gobo: 8 gobos

Operation mode: DMX 512, Auto , sound

Display: LCD Display

IP Rating: IP25

Cooling system:

Designed using CFD (Computational Fluid Dynamics)

Low-noise cooling system

High -performance cooling fan with very low operating noise
