

CLAIR LIGHTING

LED MOJO 600W 3IN1

Light source: 600W LED light engine
LED lifespan: 20,000 hours
Color temperature: 8000K
Standard mode: Ra >70
Input voltage range: AC190-240 V, 50/60 Hz
Power: 500W
Powercon connector input/output
Signal input/output: Three pin XLR socket
The motorized linear focus system
Zoom beam angle: 4°-35°
CMY Mixing system: Linear CMY mixing
Linear CTO color temperature adjustment 2700K-6500K

Colour Wheel

Fixed gobo

Rotating gobo

Rotating gobos: 1 rotating gobo, 7 patterns plus white circle, Indexing positioning

with "slot and lock" system, easy to replace Gobos

Fixed gobo: 1 fixed gobo, 12 fixed patterns + white light,
